

Director & Legal Counsel – IG Wealth Management

Winnipeg, Manitoba

IG Wealth Management is a Canadian leader in providing personalized financial advice and guidance to their clients. They believe their success is based on the success of their clients and strive to achieve excellence in all they do. Owing to growth and transformation, IG is looking for a **Director & Legal Counsel** to join their team.

The Legal Department at IG manages, directs and advises on all matters of a legal nature concerning the operations of IG Wealth Management and its subsidiaries. **As the Director & Legal Counsel, you'll be responsible for providing general legal support and advice in the areas of corporate and commercial with a focus on technology, information services and intellectual property law.**

As The Director you'll:

- Manage and execute on various legal issues related to procurement of information technology services, technology/digital licencing, information privacy, intellectual property and regulatory compliance.
- Identify and manage legal risks, issues and provide alternative solutions.
- Draft, review and negotiate legal documents and agreements with vendors and contractors related to hosting, software and licensing.
- Keep up to date with regulatory requirements as it relates to the business.
- Provide legal support and advice on matters pertaining to aspects of the business.

The experience and traits you bring to the role:

- A law degree with 5-10 years of legal experience in a law firm or in-house legal department.
- A strong background in corporate/commercial law and contract negotiation.
- Experience working within a fast-paced, multi-project and multi-deadline environment.
- Strong analytical and problem solving skills and are collaborative by nature.
- Excellent decision making skills with the ability to work effectively with a high degree of independence and autonomy.
- A solutions and service oriented approach to your work and business partnerships.
- Well-developed relationship management, negotiation and interpersonal skills.

About IG Wealth Management:

For over 90 years, IG Wealth Management has been providing Canadians with unique, comprehensive financial plans helping them get more out of their money, so they can get more out of life. Their philosophy has been a belief that building long-term relationships with their clients is the best way to help individuals reach their financial goals at each stage of their lives. Their vision is to improve their client's financial well-being.

IG Wealth Management is a member of the Power Financial Corporation group of companies, one of Canada's largest and most respected companies.
