# **Independent Auditor's Report**

To the Members of the Law Society of Manitoba

#### **Opinion**

We have audited the financial statements of the Law Society of Manitoba (the "Organization"), which comprise the statement of financial position as at March 31, 2022, and the statements of operations and changes in equity of the General Fund, Reimbursement Fund, Professional Liability Claims Fund, Education and Competence Fund, and Endowment and Trust funds and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Law Society of Manitoba as at March 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO").

#### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Responsibilities of Management and Those Charged with Governance of the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### 1. PURPOSE OF THE ORGANIZATION

The Law Society of Manitoba (the "Society") is a not-for-profit organization incorporated by a special act of the Manitoba Legislature. Its purpose is to uphold and protect the public interest in the delivery of legal services with competence, integrity and independence.

#### 2. NATURE OF FUND BALANCES

The Law Society of Manitoba follows the restricted fund method of accounting and has established separate special purpose funds for the administration of specific programs.

#### General Fund

The purpose of the General Fund is to account for the general operations of the Society, including all property and equipment owned by the Society. Subsection 2(2) of The Legal Profession Act provides that in pursuing its purpose and carrying out its duties, the Society has all the powers and capacity of a natural person.

#### Reimbursement Fund

The Reimbursement Fund is continued under subsection 46(1) of The Legal Profession Act. The purpose of the Reimbursement Fund is to compensate claimants who have sustained pecuniary losses because of a member's or law corporation's misappropriation or wrongful conversion of the claimant's money or property.

#### Professional Liability Claims Fund

The Professional Liability Claims Fund is continued under subsection 45(2) of The Legal Profession Act. The purpose of the Claims Fund is to pay professional liability claims in accordance with the Act and the Law Society Rules.

#### Education and Competence Fund

The Education and Competence Fund was established for the purpose of regulating the admission of persons as students and their service under articles, providing instruction in law and regulating the call of persons to the Bar and the admission of solicitors. Subsection 3(2)(a) of The Legal Profession Act states that in pursuing its purpose, the Society must establish standards for the education, professional responsibility and competence of persons practicing or seeking the right to practice law in the province of Manitoba.

#### Endowment and Trust Funds

#### a) Frank Billinkoff Loan Fund

The Frank Billinkoff Loan Fund was established in 1957 by the late Frank Billinkoff as a revolving loan fund to be lent to deserving law students, without interest, to permit them to continue their studies in law.

#### 2. NATURE OF FUND BALANCES (continued)

Endowment and Trust Funds (continued)

#### b) Margaret Hypatia Crawford Scholarship and Prize Fund

The Crawford Scholarship is a scholarship to the student with the highest standing in the final year at the Faculty of Law, University of Manitoba, and also awards prizes to the students with the second, third and fourth highest standings in the final year.

#### 3. SIGNIFICANT ACCOUNTING POLICIES

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies

#### a) Revenue recognition

Externally restricted contributions are deferred and recognized as revenue of the appropriate fund in the year which the related expenses are incurred.

Unrestricted contributions are recognized as revenue of the General Fund when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Investment income is recognized as revenue of the appropriate fund when earned.

#### b) Capital assets

Capital assets are recorded at cost less accumulated depreciation, with the exception of the library and lockers, which are recorded at a nominal value and are not being depreciated. Depreciation on other assets is provided on a straight-line basis using the following rates:

Computer equipment and software 3 years
Furniture and equipment 5 years
Leasehold Improvements Term of the lease

#### c) Assets held for sale

Assets held for sale are measured at the lower of their carrying amount and fair value less costs to sell. These assets, which would otherwise be subject to depreciation, are no longer being depreciated.

#### d) Foreign currency translation

All investments maintained in foreign currencies have been translated into Canadian dollars at the exchange rate in effect at March 31, 2022. Income from investments maintained in foreign currencies is translated at the month end spot rate for the month in which it is earned.

#### 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### e) Pension plan

The cost of the Society's defined benefit pension plan is determined periodically by independent actuaries. The actuarial valuation is based on the projected benefit method prorated on service (which incorporates management's best estimate of future salary levels, other cost escalation, retirement ages of employees and other actuarial factors). For the purpose of calculating the expected return on plan assets, those assets are valued at fair value. The Society recognizes:

- a) the defined benefit obligation, net of the fair value of any plan assets, adjusted for any valuation allowance on the balance sheet;
- b) the cost of the plan for the year; and
- c) remeasurements and other items directly in equity.

#### f) Financial instruments

Financial assets and financial liabilities are initially recognized at fair value when The Society becomes a party to the contractual provisions of the financial instrument. Subsequently, all financial instruments except investments are measured at amortized cost. Investments are measured at fair value.

Transaction costs related to financial instruments measured at fair value are expensed as incurred. Transaction costs related to the other financial instruments are added to the carrying value of the asset or netted against the carrying value of the liability and are then recognized over the expected life of the instrument using the straight-line method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the straight-line method and recognized in the statement of operations.

With respect to financial assets measured at cost or amortized cost, the Society recognizes in the statement of operations of the respective fund, an impairment loss, if any, when it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss shall be reversed in the statement of operations of the respective fund in the period the reversal occurs.

#### g) Deferred lease incentives

Deferred rent incentives represent net inducements received that are deferred and amortized on a straight line basis as a reduction of rent expense over the term of the lease. The leasehold improvement allowance represent inducements received to cover the purchase of capital assets and is amortized on the same basis as the underlying assets acquired and is recorded as a reduction of the related depreciation expense.

#### 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### h) Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of certain revenues and expenses during the year. Key components of the financial statements requiring management to make estimates include the valuation of investments, accrued pension benefit asset and obligation, and the reserve for outstanding professional liability claims and associated costs at the date of the financial statements, the useful life of the leasehold improvements and the amortization rates of the deferred lease incentives. Actual results could differ from these estimates.

#### 4. INVESTMENTS

Investments consist of certain guaranteed investments, stocks, and bonds, and are recorded at fair value. Certain of these investments and related earnings have been aggregated in one pool and are allocated amongst the funds. The year-end allocations are as follows:

	2022	<u> </u>	2021	
Reimbursement Fund	\$ 460,760	1.84%	\$ 461,241	1.84%
Professional Liability Claims Fund	24,517,089	98.14%	24,542,686	98.14%

#### 7. PROFESSIONAL LIABILITY CLAIMS FUND CONTINGENT LIABILITY

The Society records claims of the Professional Liability Claims Fund by accruing a reserve for outstanding claims and associated costs at March 31, 2022. Management has set aside the sum of \$8,402,881 (2021 - \$7,337,778) as an offset against incurred liability reserves on reported claims. Investments with a market value of \$24,517,089 (2021 - \$24,542,686) are available to pay claims and expenses.

#### 8. REIMBURSEMENT FUND CONTINGENT LIABILITY

Payment out of the fund is at the discretion of the governing body, the Reimbursement Fund Committee, or Society staff, within guidelines set by the governing body. Any claim payments which may occur will be accounted for in the year payment is approved.

#### 9. CLAIMS PAID AND COUNSEL FEES

The claims paid and counsel fees reported in the Statement of Professional Liability Claims Fund are reported net of amounts recovered. The gross amounts are as follows:

	 2022	2021
Claims paid		
Total expenses	\$ 2,572,916	\$ 1,902,675
Recoveries	(2,124,438)	(364,141)
	\$ 448,478	\$ 1,538,534
	 2022	 2021
Counsel fees		
Total expenses	\$ 874,622	\$ 1,600,217
Recoveries	(225,557)	(796,783)
	\$ 649,065	\$ 803,434

#### 10. PENSION PLAN

The Society has a defined benefit pension plan, which covers substantially all employees. Pension benefits are based on length of service and final average earnings, and are partially indexed for inflation after retirement.

The Society measures its accrued benefit obligations and the fair value of plan assets for accounting purposes as at March 31 of each year. The most recent actuarial valuation of the pension plan for funding purposes was as of December 31, 2021 and these financial statements reflect the extrapolation of information to March 31, 2022.

# 10. PENSION PLAN (continued)

Information about the Society's defined benefit plans is as follows:

Actuarial loss on accrued benefit obligation         (83,933)         (51,269)           Benefit obligation, end of year         \$ 24,645,332         \$ 22,991,959           Funded status:         Market value of plan assets, end of year         \$ 32,429,580         \$ 31,390,486           Defined benefit obligation, end of year         (24,645,332)         (22,991,959)           Accrued benefit asset         \$ 7,784,248         \$ 8,398,527           Canadian equities         23%         20%           Foreign equities         40%         43%           Fixed income         28%         31%           Short term investments         9%         6%			2022		2021

Discount rate	5.00%	5.00%	
Rate of compensation increase	4.50%	4.50%	
Benefit costs for the year ended March 31			
Discount rate	5.00%	5.00%	
Rate of compensation increase	4.50%	4.50%	

#### 11. FINANCIAL INSTRUMENTS

#### Market risk

Market risk is the risk of loss that results from fluctuations in equity prices, interest and exchange rates. The Society is exposed to market risk from its investing activities. The level of risk to which the Society is exposed varies depending on market conditions and the composition of the asset mix.

#### Interest rate risk

Interest rate risk refers to the adverse consequences of interest rate changes in the Society's cash flows, financial position, and income. This risk arises from differences in the timing and amount of cash flows related to the Society's assets and liabilities. The value of the Society's assets is affected by short-term changes in nominal interest rates and equity markets.

In accordance with the asset mix strategy, the Society has invested approximately 56% (2021-60%) of its investment assets in fixed income securities and 44% (2021-40%) in equities as at March 31, 2022. The returns on fixed income securities are particularly sensitive to changes in nominal interest rates. The effective interest rate earned by the Society on bonds and debentures for the current period ending March 31, 2022 was 6.71% (2021-5.60%).

#### 11. FINANCIAL INSTRUMENTS (continued)

Interest rate risk (continued)

The term to maturity and related market values of investments in short-term deposits, bonds and debentures, excluding any pooled fixed income funds, held by the Society at March 31, 2022 are as follows:

	2022 <u>Market Value</u>		2021 Market Value	
Less than one year	\$	-	\$	-
One to five years		549,128		568,564
Five to ten years		-		-
Greater than ten years		853,643		930,656
	\$	1,402,771	\$	1,499,220

#### Credit risk

Credit risk arises from the potential for an investee to fail or to default on its contractual obligations to the Society. At March 31, 2022 the Society's maximum credit risk exposure is equal to the market value of investments in short-term deposits, bonds and debentures. The Society's concentration of credit risk as at March 31, 2022 related to bonds and debentures is categorized among the following types of issuers.

	2022 Market Value		2021 Market Value	
Type of Issuer				
Government of Canada and				
Government of Canada guaranteed	\$	377,329	\$	388,512
Provincial and Provincial guaranteed		356,226		389,292
Corporations		669,216		721,416
	\$	1,402,771	\$	1,499,220

The Society limits interest rate risk and credit risk by investing in bonds and debentures of investees that are considered to be high quality credits and by utilizing an internal Investment Policy Guideline monitoring process that requires the weighted average credit rating of bonds held in the portfolio to be rated A or better.

#### Equity price risk

Equity price risk is the risk that the Society's financial instruments will fluctuate due to changes in market prices. The Society is exposed to equity price risk because of its investments held in equities. The objective of the Society's investment policy is to manage equity price risk through its asset mix parameters and maintaining a diversified portfolio.

#### 11. FINANCIAL INSTRUMENTS (continued)

Foreign currency risk

Foreign currency exposure arises from the Society's holdings of investments denominated in foreign currencies. As at March 31, 2022 the Society's foreign currency exposure was \$7,513,143 (2021 - \$7,461,289). The Society does not use derivative instruments to reduce its exposure to foreign currency risk.

#### 12. COMMITMENTS

The Society has commitments for leased premises to July 2028 comprised of base rents plus a proportionate share of operating costs and management fees. The minimum aggregate lease payments over the next five years are as follows:

2023	\$570,501
2024	617,084
2025	647,755
2026	662,535
2027	677,906

As a subscriber to the Canadian Lawyers Insurance Association's (CLIA) Compensation Fund program, the Society is required to maintain a surplus/reserve account within a certain designated level. Due to the significant number of large claims paid, this surplus/reserve account became deficient and CLIA issued a retrospective assessment of \$1,716,927, payable over 5 years, resulting in an annual amount of \$260,438 due through to 2024.

#### 13. COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform with current year presentation standards.
