

Tradition Law LLP

Tradition Law LLP is a boutique firm of eight lawyers practicing in all aspects of wills and estates law. We handle everything from simple wills to complex estate planning and administration for high net-worth individuals. Our litigators appear at all levels of court in Alberta, Ontario, and Manitoba, and use mediation effectively to resolve disputes. In-house education keeps us current on both the law and trends, and we routinely present at CPDs in and out of Manitoba. We are looking to add another member to our team.

We offer a relaxed, progressive, and collegial environment where we believe fitting in and enjoying coming to work leads to exceptional client service and results. We do not take ourselves too seriously but take our jobs seriously. Our lawyers happily volunteer with the Canadian and Manitoba Bar Association, the Law Society of Manitoba, and the Society of Trust and Estate Practitioners in addition to myriad other groups in and out of the law.

The ideal candidate needs neither a client list nor estate experience but will have two to four years of experience. Our new lawyer will have an interest in learning all areas of estates law and developing expertise and a practice in a boutique setting.

Interested candidates can send a résumé or CV in confidence to Ken Mandzuik, KC, at kmandzuik@traditionlaw.ca
