Employment Opportunity

Smith Corona Cook & Munce is looking for a junior lawyer to assist with the front-end work while having the opportunity to build a practice. This would be a position where we pay a salary for junioring, plus a generous percentage.

Our firm is comprised of 10 lawyers, all of whom practice almost exclusively criminal law. Our years of call range from 1981 to 2024. We handle all types of criminal defence work from minor theft charges to homicides. We do a lot of circuit work all across Manitoba.

Our workload has increased significantly over the last few years so we are looking to find a third junior to assist with the volume. The increase in our workload also means there is a lot of opportunity for working on bigger cases with our more senior lawyers.

We are looking for somebody who is passionate about the defence side of criminal law, enjoys being able to help people in trouble with the law, and looks forward to spending a lot of time in court.

We would be pleased to entertain applications with a resume and university transcripts. Applications should be sent to Pamela Smith at 908-363 Broadway, Winnipeg, MB R3C 3N9 or psmith@sccmlaw.ca.
