

## Are You a Lawyer Ready to Make a Lasting Impact?

### Join our Board of Directors

Greco Evidence Insights is an independent, non-profit organization specializing in research, knowledge mobilization, and evaluation in the health and well-being sectors. For 25 years, Greco has transformed research and insights into actionable strategies for our clients and partners to prevent and reduce harm related to gambling, gaming, technology use, and substance use.

### The opportunity

Greco is looking for a lawyer to join our Board of Directors. Greco retains its own legal counsel, but is interested in recruiting a lawyer to widen the Board's skills and expertise.

As a member of our Board, you will help advance our mission by collaborating on our strategic goals and practicing good governance. You will be building on a 25-year track record of success and a well-established global reputation. This is an excellent opportunity for someone who is looking to strengthen their leadership profile and give back meaningfully.

### What we are looking for in future Board members

- Experience in law. We would be especially interested in candidates who also have experience with governance models, the gambling or cannabis industries, regulatory bodies, international business, or labor relations/HR.
- Strong belief in the value of knowledge mobilization as it relates to health and well-being.
- Willingness to prepare for and attend approximately five Board meetings per year and participate in at least one Committee (Finance, Human Resources, Strategy & Emerging Issues, or Governance & Nominations). Board meetings are typically in March, June, September, and December.
- [Greco](#) is a fully remote nationally incorporated Ontario-based organization, with national and international reach. Meetings are typically virtual, with one in-person meeting a year. Greco covers travel, accommodations, and food costs for Board members at the in-person meeting.
